

Cheryl Turner, EdD., R.T., (R)(T)

Dr. Cheryl Turner has been a radiation therapist for 30 years and an educator for 15 of those years. She believes that the foundation of a solid clinical practice lies in effective and applicable education and training. She has extensive involvement in professional societies including the American Registry of Radiologic Technologists, American Society of Radiologic Technologists (ASRT), the Joint Review Committee on Education in Radiologic Technology, Association of Educators in Imaging and Radiologic Sciences, and RAD-Aid International. In addition to numerous national, international, and local presentations and publications, she has written for national professional journals including ASRT's Scanner and Radiation Therapist.
